BACKGROUND AND PHILOSOPHY ABSTRACT

The objective of providing the personal information within this résumé is to obtain a position within a dynamic organization, intent on the success of its program, its athletes, and its leaders.

I am a highly skilled communicator, teacher, and mentor who strives to ensure the success of every team member – I develop every training session, analysis, and development plan based on my experience, consistent reflection on my practice, and the training I have received as a professional educator and through programs such as the National Coaching Certification Program.
